He Loves

In my weakness, through the struggle
When I'm questioning why
In my grief and every sorrow
When I have to say goodbye
He whispers peace and my heart understands
The God who made the world holds me in His hands

No matter what goes wrong I know I'm not alone

To prove to you and me how much He loves

The God of Jacob, The God of Moses

God Fights on my side

Verse 1

I know the life of a desperate man
Still a sinner bound and longing to be free
I heard the message of God's salvation plan
He forgave me when He saved a wretch like me
The dread of what my sinful past has done to me
Just fell away when by faith He let me see

Chorus:

God has not given me the spirit of fear
(He gave me power) He gave me power when He eased my troubled mind
(So I won't be afraid) So I won't be afraid (I will not be dismayed) I will not not be dismayed
(I'll trust the Lord) When the battle is raging,
(I'll stand on His word) He never changes
(He will keep me safe) Safe from danger
(He took me in) I'm not a stranger
There's a reason I don't run away and hide
God fights on my side

Verse 2

I live a life of a victorious man
Not defeated, now my future's looking bright
Foes come against me but I still take a stand
When I'm walking in the power of His might
I do not worry when the war rages on
I know the captain and He's making me strong

When America Falls

Verse 1:

**The amber waves of grain bend in humility
The purple mountains kneel in silent praise
The fruited plains bow down in honor to a Holy God
The spacious skies declare the glory of His name**

**From sea to shining sea His favor rests upon this land
America the strong, the brave, the free
Yet still the powers of darkness strive to bring this nation down
Not fully understanding where our strength is found**

Chorus:

**When America falls, we fall on our knees
Then America calls, with one desperate plea
We need Your blessing, come heal our land
we need forgiveness – from Your mighty hand
You have all power, Oh God we believe
When America falls, we fall on our knees**

**Unite us again, all across this land (this land)
We join hand in hand (in hand)
Nothing against us can stand**

I'm Just Getting Started

Verse 1:

It's been many a year since I met the Savior
Many a storm He's walked me through
And many answered prayers along the way
And brother, I've got stories of just what the Lord can do
When I walk by faith and trust in Jesus' name
If we talk about His power I could talk for hours
Of the wonders way back when
(Oh,) But even then

Chorus:

I'm just getting started, there's so much to say
God is always working in amazing ways
So if you're asking what the Lord has done
Pull up a chair 'cause I'm just gettin' started

Verse 2:

I could tell you 'bout the blood that saved me
The moment when all things were new
And how the good Lord got a hold of me (He got a hold of me)
I'd tell you how He healed me and all He's brought me through
And how the hand of Jesus set me free
I love to tell the story, 'Twill be my theme in glory
'Cause at the end of this life when I cross to the other side

Chorus:

I'm just getting started, there's so much to say
God is always working in amazing ways
So if you're asking what the Lord has done

What the Church is Doing Right

Verse 1:

Some folks may want to tell you what the church is doing wrong
You'll hear it in a sermon, even hear it in a song
Although it's less than perfect and grows weary in the fight
Let me tell you what the church is doing right

Chorus:

It's leading souls to Jesus, Reaching out a helping hand
Showing love and kindness to a lost and troubled land
To a world that walks in darkness it's still a shining light
Let me tell you what the church is doing right

Verse 2:

It's the preacher bringing Bread of Life to keep the people strong
It's a mother praying for her child and touching heaven's throne
It's the man of God that through it all still trusts with all his might
Let me tell you what the church is doing right.

Chorus:

It's leading souls to Jesus reaching out a helping hand
Showing love and kindness to a lost and troubled land
To a world that walks in darkness it's still a shining light
Let me tell you what the church is doing right

Marching into battle with His word our mighty sword
To a world that walks in darkness it's still a shining light

He's Blessing Me

He's blessing me, over and over again
He's blessing me, right here where I stand
Every time I turn around He's making a way somehow
Over and over again He's blessing me, He's blessing me

God has been good to me, He always has been true
His power has never changed, there's nothing He can't do
When I need a friend, I call on His name
Day after day, His love is the same
Over and over again, He's blessing me, He's blessing me

He's blessing me, over and over again
He's blessing me, right here where I stand
Every time I turn around He's making a way somehow
Over and over again He's blessing me, He's blessing me

It's such a thrill to know the Lord has full control
Well I don't have to fret when the world closes in
He'll walk right beside me where He's always been
Over and over again He's blessing me, He's blessing me

He's blessing me, over and over again (again)
He's blessing me, right here where I stand
