

The Guardians: *It's Still Good News*

"Holy Is Thy Name" (with "Lift Up Holy Hands")

Writers: Bill Henry, Darren Thomas

Holy is Thy Name
Holy is Thy Name
There's no other name with the healing touch
No other name that I love as much as Jesus
Holy is Thy Name

In no other name is there salvation
That's been given whereby we might be saved
So in everything I do or say
I do all in Your sweet name
For those who dared to trust You, Lord
They have never ever been the same
That's what we cry

Holy is Thy Name
Holy is Thy Name
There's no other name with the healing touch
No other name that I love as much as Jesus
Holy is Thy Name

Holy, Holy, Lord You are so

Holy, wonderful, marvelous, glorious,
Omnipotent, righteous, and mighty
We praise You, we lift You up
We magnify, we glorify
We exalt You, we extol You, we adore You
Hallelujah, we praise You, we lift You up,
We magnify, we glorify

We exalt You, we extol You, we adore You

Hallelujah

Holy Is Thy Name

Thy Name

"I Wish I Could Tell You"

Writers: John Darin Rowsey, Scotty Inman

I found my deliverance at an altar of prayer
I knelt down and left all my burdens there
His blood washed me white as snow
I wish I could tell you
I came up shouting with a new desire
From my head to my toes, I felt Holy Fire
It was joy unspeakable
Oh, I wish I could tell you

I wish I could tell you all about God's glory
I wish I could tell you, but you've got to live the story
Of power and love, His mercy and grace
I'd tell you how the Savior died to take my place
But I can't explain it, I can't describe it
Lord knows I can't deny it
All I know is every word is true, and I wish I could tell you

There've been times in my life when I needed a friend
He's walked right beside me to the very end
He's closer than a brother
Oh, I wish I could tell you (I wish I could tell you)
When the valley got low or the mountain got high
He gave me a reason to testify
I can't live without Him
Oh, I wish I could tell you, yeah

I wish I could tell you all about God's glory
I wish I could tell you, but you've got to live the story
Of power and love, His mercy and grace
I'd tell you how the Savior died to take my place

But I can't explain it, I can't describe it
Lord knows I can't deny it
All I know is every word is true, and I wish I could tell you
Mmmm, I do

Closer than a brother, He's more than kin
Alpha and Omega, beginning and end
There's no one like Him (whoa)
Oh, I wish I could tell you (I wish I could tell you)
Savior, Deliverer, Redeemer and Friend
There is none above Him, and there's never been
I can't live without Him (whoa)
Oh, I wish I could tell you
Well, yeah

I wish I could tell you all about God's glory
I wish I could tell you, but you've got to live the story
Of power and love, His mercy and grace
I'd tell you how the Savior died to take my place
But I can't explain it, I can't describe it
Lord knows I can't deny it
All I know is every word is true and I wish I could tell you

I wish could tell you
Mmmm, I wish I could tell you
spoken: I'm gonna preach in here

"Just to Know"

Writers: John Darin Rowsey, Wayne Haun

Just to know He's near can change the atmosphere
And just to know He cares makes cloudy skies seem fair
And just to feel His touch can change a heart so much
He loves me so, and that's good just to know

Why should I worry? Why be distressed?
Why should I crumble when life puts me to the test?
I have a Savior who hears my prayer
He'll bear my burdens if I cast upon Him every care, and

Just to know He's near can change the atmosphere
And just to know He cares makes cloudy skies seem fair
And just to feel His touch can change a heart so much
He loves me so, and that's good just to know

In every trial (in every trial), through every storm (through every storm)
He whispers peace into a troubled soul that's worn
He is a shelter where I can hide
In times of trouble, He's a present help right by my side, and

Just to know He's near can change the atmosphere
And just to know He cares makes cloudy skies seem fair
And just to feel His touch can change a heart so much
He loves me so, and that's good just to know

It's good to know (He won't forsake me)
So good to know (His love sustains me)

Just to know He's near can change the atmosphere
And just to know He cares makes cloudy skies seem fair

And just to feel His touch can change a heart so much
He loves me so, and that's good just to know

He loves me so and that's good just to know
So good to know - Ooo

"You're Home to Stay (Where We Ever Shall Be)"

Writer: Jerry Goff

I can almost hear
The trumpet loud and clear
I can almost hear Him say,
"Child, you're home, you're home to stay."
Where we'll lay our burdens down
And take up our robe and crown
Oh, child you're home, you're home to stay

And where we ever shall be
And throughout all eternity
Where we'll praise the Savior's name
And where we ever shall be
And throughout all eternity
Where we'll praise the Savior's name

I can see Him on that shore
And He's the Lamb forevermore
Where we'll walk on streets of gold
There with the saints and men of old
I'll hear my Father call me son
I'll hear Him say, "My child, well done!
Oh, child you're home, you're home to stay."
(You're home to stay)

And where we ever shall be
And throughout all eternity
Where we'll praise the Savior's name
And where we ever shall be
And throughout all eternity
Where we'll praise the Savior's name

How beautiful Heaven must be
Sweet home of the happy and free

And where we ever shall be
And throughout all eternity
Where we'll praise the Savior's name

We'll praise the Lamb (praise the Lamb)
Forevermore (forevermore)
We'll join our voices (join our voices)
On that shore (on that shore)
Where we'll praise the Savior's name
Our Savior's name

"It's Still Good News"

Writers: John Darin Rowsey, Kenna West, Bob Sammons

I can still see the little white church
And the preacher preachin'
I can still feel the heavenly fire
Of an old camp meetin'
When he opened the King James Bible
And read John 3:16
That was the night those words
Got ahold of me

It's still the good news after all these years
It still has the power to save
It still points the lost to a rugged cross
Where sins have been washed away
It was good for Matthew, Mark, Luke and John
The Gospel has never changed
It was good for them way back then
And it's still good news today

Now, I'm not ashamed of the Gospel
And its revelation
It's the almighty power of God
Unto salvation
Whoa, it's still alive and working
A strong two-edged sword
Written on every page
Is the Word of the Lord

It's still the good news after all these years
It still has the power to save
It still points the lost to a rugged cross

Where sins have been washed away
It was good for Matthew, Mark, Luke and John
The Gospel has never changed
It was good for them way back then
And it's still good news today

There's never been a book quite like it
There's nothing that can compare
Jesus said it, I believe it and we settled it all
At an old fashioned altar of prayer

It's still the good news after all these years
It still has the power to save
It still points the lost to a rugged cross
Where sins have been washed away
It was good for Matthew, Mark, Luke and John
The Gospel has never changed
It was good for them way back then
And it's still good news today

Good news
Good, good news
Good, good news

It's still the good news after all these years
It still has the power to save
It still points the lost to a rugged cross
Where sins have been washed away
It was good for Matthew, Mark, Luke and John
The Gospel has never changed
It was good for them way back then
And it's still good news today

Good news

Good, good, good news

Good news,

Good, good, good news

Good news

Good, good news

"Someone To Care"

Writer: Jimmie Davis

When the world seems cold
And your friends seem few
There is someone who cares for you
When you've tears in your eyes
And your heart bleeds inside
There is someone who cares for you

You've got someone to care
Someone to share all your troubles
Like no other can do
He'll come down from the sky
Brush the tears from your eyes
You're His child, and He cares for you

When your disappointments come
And you feel so blue
There is someone who cares for you
And when you need a friend,
He's your friend till the end
You're His child, and He cares for you

We've got someone to care
Someone to share all your troubles
Like no other can do
He'll come down from the sky
Brush the tears from your eyes
You're His child, and He cares for you

Oh, how He loves you and me
Oh, how He loves you and me

He gave His life
What more could He give?
Oh, how He loves you
Oh, how He loves me

He'll come down from the sky
Brush the tears from your eyes
You're His child, and He cares for you

He cares for you

"Breathe In, Breathe Out"

Writers: John Darin Rowsey, Jason Crabb

I'm always trying to be the man
Who would take a stand for what I believe
Lend my brother a helping hand,
Doing what I can for someone in need
I'm trying to be good and sometimes I could,
But other days it didn't work out
I was hot and then cold, meek and then bold
Trust the Lord and then have a doubt
You might think I'm not good enough
But that's the great thing about God's love

I breathe in, I breathe out
Nothing's gonna ever change
Why He would trade His life on that cross
For my crown
And the only thing I have to do
To ever make Him love me
Is breathe in and breathe out

There's always gonna be someone who
Will be telling you
You don't measure up
It doesn't matter how much you do
From their point of view,
It's never enough
But God really loves you
He's thinkin' of you
And you're the apple of His eye
He's a friend and a Savior
You have His favor

So leave the world's opinions behind
I don't worry 'bout what people say
I just remember the price He paid

I breathe in, I breathe out
Nothing's gonna ever change
Why He would trade His life on that cross
For my crown
And the only thing I have to do
To ever make Him love me
Is breathe in and breathe out

I know I don't deserve it
Found I couldn't earn it
Jesus paid it all and I'm free
The only way to show it
To a world that doesn't know it
Is to live it and give it
All He's asking of me (He's asking of me)

Is breathe in and breathe out
Nothing's gonna ever change
Why He would trade His life on that cross
For my crown
And the only thing I have to do
To ever make Him love me (love me)

Is breathe in and breathe out
Nothing's gonna ever change
Why He would trade His life on that cross
For my crown
And the only thing I have to do
To ever make Him love me

Is breathe in and breathe out

I breathe in and breathe out

Oh, breathe in and breathe out

I breathe in and breathe out

Breathe in, breathe out

"One Pair of Hands"

Writers: Billie Campbell, Mann Curtis

One pair of hands formed the mountains
One pair of hands formed the sea
One pair of hands made the sun and the moon
Every bird, every flower, every tree

One pair of hands formed the valleys,
The ocean, the river and the sand
Those hands are so strong,
So when life goes wrong
Put your faith into one pair of hands

One pair of hands healed the sick
One pair of hands raised the dead
One pair of hands calmed the raging storm
And thousands of people were fed

One pair of hands said, "I love you"
As those hands were nailed to a tree
Those hands are so strong,
So when life goes wrong
Put your faith into one pair of hands

Spoken:

*You know, I've held the hands of a loved one
As he's made his final crossing
And the hands of a child,
Just to bring comfort
When fear had gripped their little heart
But nothing touched my life
Like the moment I was held*

*In a pair of loving hands
That brought my soul salvation
And secured my destiny forever*

Those hands are so strong,
So when life goes wrong
Put your faith into one pair of hands
Put your faith into one pair of hands

“Make My Heart Your Dwelling Place”

Writer: John Darin Rowsey

There is a hurting place
That's longing to be filled
With hope and perfect love
Where sorrow once had lived
Lord, You could wash it clean
Until the pain is gone
My greatest joy would be
To make my heart Your home

Lord, make my heart
Your dwelling place
Warm it with
Your sweet embrace
My life is void until
My soul can feel
Your sweet amazing grace
Make my heart
Your dwelling place

It's just a humble place,
Much less than You deserve
But it would be an honor
For my heart to serve
I'll give You full command
And strive to do Your will
My heart can be a vessel
That Your presence fills

Lord, make my heart
Your dwelling place

Warm it with
Your sweet embrace
My life is void until
My soul can feel
Your sweet amazing grace
Make my heart
Your dwelling place

My life is void until
My soul can feel
Your sweet amazing grace
Make my heart
Your dwelling place
Make my heart
Your dwelling place
Lord, make my heart
Your dwelling place

"God is Listening"

Writers: John Darin Rowsey, Mark Bishop

Well, the Bible says in the days of old
There was a man named Daniel so the story's told
Well they threw old Daniel in the lion's den
'Cause he wouldn't bow down to the will of men
Now Daniel prayed three times a day
So the Good Lord heard what he had to say
He looked down from Heaven, shut the lion's mouth
And I know He hears your prayers right now

He's listening (He knows about my fear)
He's listening (He wipes away my tears)
He never sleeps, He's always there
God is listening to my prayers
He's listening (And when the trouble comes)
He's listening (He makes the devil run)
He never sleeps, He's always there
God is listening to my prayers

Well, Moses standing on the Red Sea shore
And the Hebrew children on the furnace floor
Jonah calling aloud from the deep blue sea
God heard the prayers and the praise and the pleas
And His ears were open to the cries of men
All the brothers and the sisters like he did back then
God was working from the moment you prayed
And the answer's already on the way

He's listening (He knows about my fear)
He's listening (He wipes away my tears)
He never sleeps, He's always there

God is listening to my prayers
He's listening (And when the trouble comes)
He's listening (He makes the devil run)
He never sleeps, He's always there
God is listening to my prayer

(Doo, doo, doo; doot, doo, doo)
Oh yeah (Doo, doo, doo; doot, doo, doo)
He's listening (He knows about my fear)
He's listening (He wipes away my tears)
My God is listening (And when the trouble comes)
Oh, God is listening (He makes the devil run)

He's listening (He knows about my fear)
He's listening (He wipes away my tears)
He never sleeps, He's always there
God is listening to my prayers
He's listening (And when the trouble comes)
God is listening (He makes the devil run)
He never sleeps, He's always there
God is listening to my prayer

He never sleeps, He's always there
God is listening to my prayer
(Doo, doo, doo; doot, doo, doo)
God is listening to my prayer

"That's What Makes Grace Amazing"
Writers: John Darin Rowsey, Marty Funderburk

How sweet the sound,
I once was lost, but now I'm found
And how can it be an old rugged cross
Would pardon and set me free?
Unmerited favor can only explain
That one who was perfect
Would take all my blame
But that's what makes grace,
That's what makes grace amazing

You loved this world so much
That You gave Your own life to save us
While we were yet in our sin,
You reached down Your hand and forgave us
(You forgave us)
Lord, when I see what I am,
I don't understand
How You'd save a wretch like me
But that's what makes grace,
That's what makes grace amazing

I should have died
I should have been the one crucified
But Lord You stepped in
The one Spotless Lamb
Was sacrificed for my sin
There's no other word that could ever describe
A love that was willing to lay down its life
But that's what makes grace,
That's what makes grace amazing

You loved this world so much
That You gave Your own life to save us
While we were yet in our sin,
You reached down Your hand and forgave us
(You forgave us)
Lord, when I see what I am, I don't understand
How You'd save a wretch like me
But that's what makes grace,
That's what makes grace amazing

Lord, when I see what I am, I don't understand
How You'd save a wretch just like me
But that's what makes grace,
That's what makes grace so amazing
So amazing

"From Now On"

Writers: Benj Pasek, Justin Paul

I saw the sun begin to dim
Felt the winter wind blow cold
A man learns who is there for him
When the glitter fades and the walls won't hold
'Cause from that point rubble that remains
Will always be what's true
If all was lost there's more I gained
'Cause it brought me back to you

From now on
These eyes will not be blinded by the lights
From now on
What's waited till tomorrow starts tonight,
It starts tonight
Let this promise in me start
Like an anthem in my heart
From now on, from now on
From now on

And we will come back home
And we will come back home
Home again
And we will come back home
And we will come back home
Home again
(From now on)
And we will come back home
And we will come back home
(From now on)
Home again
And we will come back home
And we will come back home
Home again

Spoken over music:

What is your life?

It's a vapor that appears for a little while

And then just vanishes away.

And we will come back home

And we will come back home

Home again

And we will come back home

And we will come back home

Home again

(These eyes will not be blinded by the lights)

And we will come back home

And we will come back home

Home again

(What's waited till tomorrow starts tonight)

And we will come back home

And we will come back home

Home again

From now on

These eyes will not be blinded by the lights

From now on

What's waited till tomorrow starts tonight,

It starts tonight

Let this promise in me start

Like an anthem in my heart

From now on

From now on

(From now on)

And we will come back home

And we will come back home

Home again

And we will come back home

And we will come back home

Home again

Home again
