

## He Is To Me

Lion of Judah, Sweet Rose of Sharon, Fairest of ten thousand, Ancient of Days,  
Alpha, Omega, King of all glory, Bright Morning Star and the God of my praise  
Who can describe everything that He is  
All I can say is He's mine and I'm His

Cause the One who walks on the wings of the wind walks beside me  
And the One who is holding the world in His hand holds my heart  
He spoke and the world was created in space  
Yet He was willing to die in my place  
Redeemer, Deliverer, the Ransom that sets my soul free  
Hallelujah, what a Savior He is to me

Strength in my weakness, joy in my sorrow  
Peace like a river that flows through my life  
New morning mercies, Hope for the journey  
Love that will conquer the struggle and strife  
Who can describe everything that He is  
All I can say is He's mine and I'm His

Cause the One who walks on the wings of the wind walks beside me  
And the One who is holding the world in His hand holds my heart  
He spoke and the world was created in space  
Yet He was willing to die in my place  
Redeemer, Deliverer, the Ransom that sets my soul free  
Hallelujah, what a Savior He is to me

He spoke and the world was created in space  
Yet He was willing to die in my place

For the One who walks on the wings of the wind walks beside me  
And the One who is holding the world in His hand holds my heart  
He spoke and the world was created in space  
Yet He was willing to die in my place  
Redeemer, Deliverer, the Ransom that sets my soul free  
Hallelujah, what a Savior He is to me  
Hallelujah, what a Savior He is to me

## I've Got a Feeling

I've got a feeling everything's gonna be alright,  
I've got a feeling everything's gonna be alright,  
I've got a feeling everything's gonna be alright,  
Be alright, Be alright, Be alright.

God sent Moses to lead all His people out  
But Pharaoh's heart was hardened, he thought he'd give 'em the route.  
So he chased them all down to the Red Sea shore,  
He thought he wouldn't have to worry 'bout Moses anymore.  
But Moses stretched His rod out over the sea,  
And the Lord answered Moses with a little gentle breeze,  
I can see Moses now with a smile on his face,  
Telling all the people with a gentle grace;

I've got a feeling everything's gonna be alright,  
I've got a feeling everything's gonna be alright,  
I've got a feeling everything's gonna be alright,  
Be alright, Be alright, Be alright.

A little boy named David went out to fight the giant,  
and everyone laughed at such a funny little sight.  
A little shepherd boy armed only with a sling,  
Beside mighty Goliath, seemed such a puny little thing,  
But David said, You've come to me with a spear and a sword,  
I come to you in the name of the Lord.  
He put in a stone and he gave it a fling  
And when it left his hand, David he began to sing;

I've got a feeling everything's gonna be alright,  
Oh I've got a feeling everything's gonna be alright,  
Oh I've got a feeling everything's gonna be alright,  
Be alright, Be alright, Be alright.

And now for the greatest story of them all,  
Jesus was a dyin' and hell had a ball.  
All the demons were rejoicing, they thought that they'd won the war,  
But soon they would not be laughing anymore.  
On the first Easter morning when the sun woke up the earth,  
and The caverns of the deep opened up as to give birth,  
To a resurrected Savior with healing in His wings,

And now the host of children rise and sing;

I've got a feeling everything's gonna be alright,  
Oh I've got a feeling everything's gonna be alright,  
Oh I've got a feeling everything's gonna be alright,  
Be alright, Be alright, Be alright.  
Be alright, be alright be alright.  
It's gonna be alright, be alright, be alright.

## What A Beautiful Name

You were the Word at the beginning  
One with God the Lord most high  
Your hidden glory in creation  
Now revealed in You our Christ

What a beautiful Name it is  
What a beautiful Name it is  
The name of Jesus Christ my King  
What a beautiful Name it is  
Nothing compares to this  
What a beautiful Name it is, The Name of Jesus

You didn't want heaven without us  
So Jesus, You brought heaven down  
My sin was great, Your love was greater  
What could separate us now

What a wonderful Name it is  
What a wonderful Name it is  
The Name of Jesus Christ my King  
What a wonderful Name it is  
Nothing compares to this  
What a wonderful Name it is, The Name of Jesus  
What a wonderful Name it is, The Name of Jesus

Death could not hold You; the veil torn before You  
You silenced the boast of sin and grave  
The heavens are roaring the praise of Your glory  
For You are raised to life again  
You have no rival You have no equal  
Now and forever God You reign  
Yours is the Kingdom; Yours is the glory  
Yours is the Name Above All Names

What a powerful Name it is; What a powerful Name it is  
The name of Jesus Christ my King  
What a powerful Name it is; Nothing can stand against  
What a powerful Name it is, The Name of Jesus  
What a powerful Name it is, The Name of Jesus  
The Name of Jesus, Jesus

## Time After Time

Somebody said ain't it funny how time flies and I believe it's true  
'cause the sand's moving fast through the hourglass  
No matter what I do  
Every minute turns into an hour and every hour to another day  
But it won't last it'll come to pass when they lay me in my grave

There's gonna be a time after time  
It's gonna keep on going  
Hands will be raising, and saints will be praising  
When eternity starts rolling  
We'll be part of the crowd that's shouting out loud  
When there's no reason or rhyme  
Let me tell you my friend it'll never end  
In that time after time

Somebody said eternity is forever but it's no time at all  
The world may be shocked when God stops the clock  
We're gonna have a ball  
There's gonna be joy and laughter  
And after a while we're gonna turn it loose  
So when life gets you down there's no need to frown  
Brother I've got good news

There's gonna be a time after time it's gonna keep on going  
Hands will be raising, and saints will be praising  
When eternity starts rolling  
We'll be part of the crowd that's shouting out loud  
When there's no reason or rhyme  
Let me tell you my friend it'll never end in that time after time

Time after time  
Gonna keep on, keep on rolling  
Time after time

There's gonna be a time after time it's gonna keep on going  
Hands will be raising, and saints will be praising  
When eternity starts rolling  
We'll be part of the crowd that's shouting out loud  
When there's no reason or rhyme  
Let me tell you my friend it'll never end in that time after time  
Let me tell you my friend it'll never end in that time after time  
Time after Time

## Just When You Thought

For every prodigal who's thrown their whole life away  
Feeling completely unworthy to mention His name  
For every soul that's been shattered by the choices you've made  
Oh the Father still hears every prayer that a broken heart prays

Just when you thought you could somehow outrun Him  
You're chase down by mercy as He proves there's nothing  
that His blood can't cover and His arms can't reach to redeem  
Oh Just when you thought you've exhausted His kindness  
His gentle compassion pulls you out of hiding  
Just when you thought that His grace somehow reached the end  
You find you're forgiven again

It's so amazing how He will move heaven and earth  
Just to reach through the darkness the shame, the heartache, the hurt  
And we find out again there is nothing that the Savior loves more  
than seeing surrender so he can renew and restore

Just when you thought you could somehow outrun Him  
You're chase down by mercy as He proves there's nothing  
that His blood can't cover and His arms can't reach to redeem  
Oh Just when you thought you've exhausted His kindness  
His gentle compassion pulls you out of hiding  
Just when you thought that His grace somehow reached the end  
You find you're forgiven again

He wants you, you're never too far  
And He'll meet you right where you are  
So don't be afraid don't turn away from His love

Just when you thought you've exhausted His kindness  
His gentle compassion pulls you out of hiding  
Just when you thought that His grace somehow reached the end  
You find you're forgiven again

## Higher Ground

I'm pressing on the upward way,  
New heights I'm gaining every day;  
Still praying as I'm onward bound,  
Lord, plant my feet on higher ground.

Lord, lift me up, and let me stand  
By faith on heaven's tableland,  
A higher plane than I have found,  
Lord, plant my feet on higher ground

My heart has no desire to stay  
Where doubts arise and fears dismay,  
Though some may dwell where these abound,  
My prayer, my aim, is higher ground.

Lord, lift me up, and let me stand  
By faith on heaven's tableland,  
A higher plane than I have found,  
Lord, plant my feet on higher ground

Lord, lift me up, and let me stand  
By faith on heaven's tableland,  
A higher plane than I have found,  
Lord, plant my feet on higher ground

A higher plane than I have found,  
Oh, plant my feet on higher ground  
plant my feet on higher  
plant my feet on higher  
plant my feet on higher ground

## Until Then

My heart can sing when I pause to remember  
A heartache here is but a stepping stone  
Along the trail that's winding always upward,  
This troubled world is not my final home

But until then my heart will go on singing,  
Until then with joy I'll carry on,  
Until the day my eyes behold that city  
Until the day God calls me home

The things of earth will dim and lose their value  
When we recall they're borrowed for a while;  
And things of earth that cause my heart to tremble,  
Remembered there will only bring a smile.

But until then my heart will go on singing,  
Until then with joy I'll carry on,  
Until the day my eyes behold that city  
Until the day God calls me home

I'm going home  
Going home  
Until the day my eyes behold that city  
Until the day God calls me home  
Until the day, until the day,  
Until the day God calls me home.  
We're going home.

## The Truth Is

The fact is you're caught in a battle and you fear that you're losing the war  
And the fact is it's raged on for so long that your steps have grown weary and sore  
Oh But that's just the facts of the matter cause the truth has not left you behind  
When the facts have you bound up in sorrow the truth sets you free one more time

And the truth is you're not forsaken  
And the truth is you won't be denied  
Well the facts may be stacked up against you right now  
but the truth is God's on your side

Now in fact there've been times you have questioned  
Lord, should I throw up my hands and just give in  
And in fact you've said there's just no reason to keep fighting when you'll never win  
No, no, that's not the end of the story, see the truth said you shall overcome  
When the facts say you're almost defeated  
The truth is you've already won.

And the truth is you're not forsaken  
And the truth is you won't be denied  
Well the facts may be stacked up against you right now  
but the truth is, the truth is God's on your side

The facts, they may be stacked up against you right now  
But the truth is God's on your side  
God's on your side.

## Roll Away Troubled River

Roll away, troubled river, roll away  
Roll away, troubled river, roll away  
I won't be caught by your raging tide  
I'm walking safely by the Master's side  
Roll away, troubled river, roll away

Roll away, troubled river, roll away  
Roll away, troubled river, roll away  
I won't be caught by your raging tide  
I'm walking safely by the Master's side  
Roll away, troubled river, roll away

If you're waiting for my troubles to get me down  
Well, friend, there ain't no use you hanging around  
'Cause I don't care what comes my way  
It can't be big enough for what you hear me say  
Roll away, troubled river, roll away

Roll away, troubled river, roll away  
Roll away, troubled river, roll away  
I won't be caught by your raging tide  
I'm walking safely by the Master's side  
Roll away, troubled river, roll away

Now I can always find a reason to be sad  
And I can look around and only see the bad  
But I can take what my Father sends  
I can trust Him; I know He'll understand  
And He'll take that troubled river and roll it away

Roll away, troubled river, roll away  
Roll away, troubled river, roll away  
I won't be caught by your raging tide  
I'm walking safely by the Master's side  
Roll away, troubled river, roll away  
Roll away, troubled river, roll away

## Chainbreaker

If you've been walking the same old road for miles and miles  
If you've been hearing the same old voice tell the same old lies  
If you're trying to fill the same old holes inside  
There's a better life, There's a better life

If you've got pain, He's a pain taker  
If you feel lost, He's a way maker  
If you need freedom or saving  
He's a prison-shaking Savior  
If you've got chains, He's a chain breaker

We've all searched for the light of day in the dead of night  
We've all found ourselves worn out from the same old fight  
We've all run to the things we know that just ain't right  
And there's a better life, There's a better life

If you've got pain, He's a pain taker  
If you feel lost, He's a way maker  
If you need freedom or saving  
He's a prison-shaking Savior  
If you've got chains, He's a chain breaker

Waymaker...paintaker  
He'll break every chain, break every chain, break every chain  
My healer...deliverer  
He'll break every chain, break every chain, break every chain

If you've got pain, He's a pain taker  
If you feel lost, He's a way maker  
If you need freedom or saving  
He's a prison-shaking Savior  
If you've got chains, He's a chain breaker

Oh, He's a chainbreaker  
Oh, He's a chainbreaker

## God's Been Good

Lately I've been looking back, along this winding road  
To the old familiar markers of the mercies I have known  
I know it may sound simple but it's more than a cliché  
There's no better way to tell you, than to say

God's been good in my life  
I feel blessed beyond my wildest dreams  
when I go to sleep each night  
Though I've had my share of hard times,  
I wouldn't change them if I could  
'cause through it all, God's Been Good

Times replay and I can see that I've cried some bitter tears  
But I felt His arms around me, as I faced my greatest fears  
You see I've had more gains than losses and  
And I've known more joy than hurt  
As His grace rolled down upon me undeserved

God's been good in my life  
I feel blessed beyond my wildest dreams  
when I go to sleep each night  
Though I've had my share of hard times,  
I wouldn't change them if I could  
'cause through it all, God's Been Good

God has been my Father, my Savior and my friend  
His love was my beginning, and His love will be my end  
I could spend forever trying to tell you everything He is  
But the best way I can tell you is this

God's been good in my life  
I feel blessed beyond my wildest dreams  
when I go to sleep each night  
Though I've had my share of hard times,  
I wouldn't change them if I could  
'cause through it all, God's Been Good

## Who Am I

When I think of how He came so far from glory  
Came and dwelt among the lowly such as I  
To suffer shame and such disgrace  
On Mount Calvary takes my place  
I ask myself this question  
Who am I?

But then I'm reminded of His words "I'll leave You never"  
If you'll be true I'll give to you life forever and forever  
I wonder what I would have done  
To deserve God's only Son  
To fight all my battles until they're won  
For who am I?

Who am I that a King would bleed and die for  
Who am I that He would pray not my will, but thine  
The answer I may never know  
Why He ever loved me so  
that to an old rugged cross He'd go  
For who am I?  
Who am I?  
Who am I?

## Somebody Prays

A force lies within our hands; of power not known to man  
It opens the door to all that's in store for those who obey  
It's when miracles wait for you and mercy comes shining through,  
Just see what the Lord can do; when somebody prays

Somebody prays and heaven pays attention  
Somebody prays and angels listen in  
In heaven it's written down  
God's heart can hear the sound  
His mighty power abounds  
When somebody prays

I've seen it time and again a soul's reached its very end  
The pressures of life, all the burdens and strife just don't go away,  
oh but strength comes down from above and touches that hurting one,  
And faith rides on wings of love when somebody prays

Somebody prays and heaven pays attention  
Somebody prays and angels listen in  
In heaven it's written down, God's heart can hear the sound  
His mighty power abounds when somebody prays

I just steal away  
I just steal away

It's when miracles wait for you and mercy comes shining through,  
Just see what the Lord can do; when somebody prays  
Somebody prays  
Somebody prays
